Our Mission

M.E.'s Team #1 goal is to make a positive impact in the lives of children and families in need in this community. The Proctor Family's vision is to form a team of friends who share this dream. This team will work together to provide the Treasure Coast with a new innovative vehicle by which to accomplish this goal.

How it works:

A unique quality of being a part of M.E.'s Team is knowing exactly where your donation dollars will be spent. You can decide what other non-profit organizations are to benefit through your involvement.

As a Gold sponsor, you will have the opportunity to select six non-profit organizations that are near and dear to your heart and donate fifty (50) *Premium Section* tickets valued at \$30.00 each for this year's Concert in your name.

Through your participation in this remarkable endeavor, each of these organizations will have the opportunity to raise **\$1,500.00**. They keep 100% of the proceeds.

The same formula is in place for our Silver Sponsor Package. This level allows our sponsors to select two non-profit organizations to donate fifty (50) *Premium Section* Tickets valued at \$30.00 each which will allow each of these groups to raise **\$1,500.00** for their organization.

Furthermore, through our teamwork we will be able to contribute funds to M.E.'s Team and additional organizations and individuals within our community that are in need of assistance.

Finally, this wonderful weekend provides an economic boost to our community.

The future success of M.E.'s Team is in your hands. It is our hope that you make the decision to either join our team or continue your much appreciated support. Please examine the following options and choose the one that best fits your company or family.
